BIENVENUE

- Welcome -

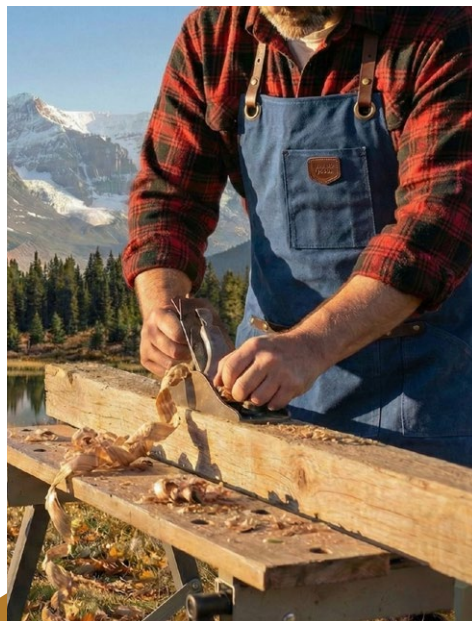

Qui sommes-nous ?

Who are we?

Depuis 2017, nous concevons des accessoires pour les Makers et les Baroudeurs. Inspirés par les paysages naturels de l'Alaska, nous créons des pièces belles, utiles et robustes, pensées pour la maison comme pour l'extérieur. Tabliers, bagagerie, maroquinerie, verrerie, accessoires et personnalisation : **un univers complet de produits à fort potentiel cadeau.**

Since 2017, we have been designing accessories for makers and adventurers. Inspired by the natural landscapes of Alaska, we create pieces that are beautiful, useful, and durable—made for both home and outdoor use. Aprons, bags, leather goods, glassware, accessories, and personalization: **a complete product range with strong gift potential.**

NOTRE ADN - Our DNA -

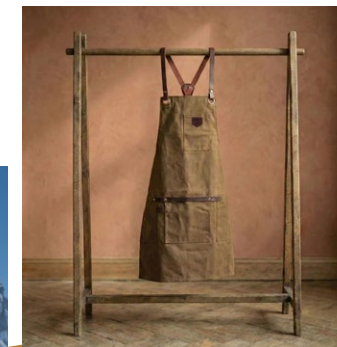

Alaskan MAKER

Parce que nous avons puisé notre inspiration dans le Nord-Ouest américain pour créer cette marque. Un voyage au bout du monde de 5.000 miles pour trouver la nature brute. Une authenticité que l'on retrouve dans le choix des matières et le style des produits Alaskan MAKER. Pour l'espace d'un instant ressentir la liberté des trappeurs et des bûcherons d'antan !

Because we drew our inspiration from the American North West to create this brand. A trip to the end of the world of 5,000 miles to find raw nature. An authenticity found in the choice of materials and style of Alaskan MAKER products. For a few moments, feel the freedom of the trappers and lumberjacks of yesteryear!

Parce qu'on est fiers de ce qu'on a déjà construit. Nous avons monté cette entreprise ensemble étape par étape, en faisant beaucoup de choses de nos propres mains : le site, les photos, le design des produits, les prototypes. On n'a pas juste eu une idée, on l'a aussi réalisée. Aujourd'hui, on a déjà parcouru un sacré chemin et on continue l'ascension.

Because we are proud of what we have already built. We built this company together, step by step, doing many things with our own hands: the website, the photos, the product design, the prototypes. We didn't just have an idea, we made it real. Today, we have already come a long way, and we keep moving upward.

TOILE WAXÉE - CUIR - LAITON

*Waxed canvas -
Leather - Brass*

La toile waxée est imprégnée de cire en finition : elle protège mieux des taches et rend le tissu plus lourd et plus rigide, donnant du caractère aux produits. Facile d'entretien et agréable au toucher, elle se patine avec le temps pour un aspect vintage.

Waxed canvas has a wax finish. It protects better against stains and makes the fabric heavier and stiffer, giving the products more character. Easy to care for and pleasant to touch, it develops a patina over time for a vintage look.

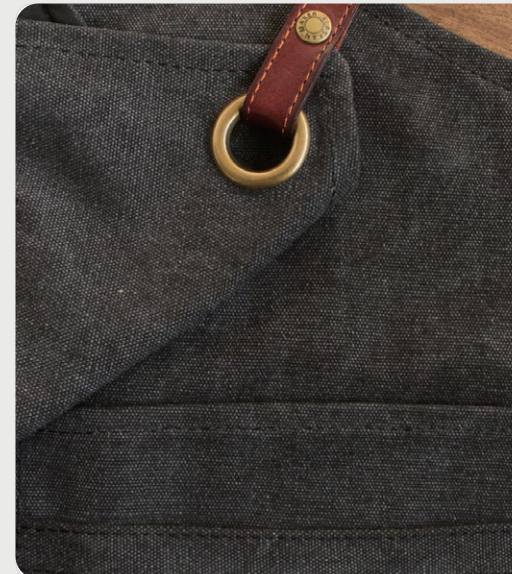

TOILE VINTAGE

Stonewashed canvas

La toile vintage est un polycoton épais délavé : un rendu authentique, souple et agréable au toucher. Non waxée, elle est lavable en machine. Les 20% de polyester renforcent solidité et durabilité, pour un usage quotidien sans perdre en qualité.

Vintage canvas is a thick, washed polycotton fabric. It looks authentic, stays flexible, and feels nice to the touch. Because it is not waxed, it can be machine-washed. The 20% polyester adds strength and durability for everyday use without losing quality.
