Meet the

FOUNDERS

Hurray for

HAPPINESS

Atelier Pistache was founded in Belgium by brother and sister duo Josephine and Henri. After building the colourful ceramic brand Qué Rico, Josephine wanted to explore a new creative playground and teamed up with her brother Henri, an illustrator with a sharp eye for colour and character. Together they created Atelier Pistache: a lifestyle brand built on playful design and everyday joy. Hurray for happiness, that's what we're all about.

The name Atelier Pistache is a playful tribute to Pistache, the dog Josephine and Henri grew up with. Just like their childhood companion, the brand stands for warmth, joy and a touch of mischief. These values are woven into every design, creating giftable pieces that bring colour, personality and a little extra happiness to everyday life.

COLLECTION

where tiramisu-scented candles and pasta-inspired
ceramics make every day a little more fun.
