SPRING SUMMER'26

THE J-LINE SPRING-SUMMER 2026
COLLECTION TAKES YOU ON A WORLD
TOUR THROUGH 13 THEMES. 13
DESTINATIONS INVITING YOU TO TRAVEL
WITHOUT LEAVING HOME.

*A world
of Inspiration*

TRAVEL LEAVES TRACES. THIS COLLECTION GIVES THEM SHAPE.

It began with a journey and a sketchbook. Not simply to see the world, but to feel it. To notice the details that linger quietly. The colour of a street in the morning sun. The weight of a handmade bowl. The rhythm of tiled walls catching light. From one destination to the next, impressions gathered and grew into something larger: a travel diary expressed through interiors.

HOME IS
WHERE THE
WORLD IS
WELCOMED IN.

Each place left behind a memory. A stripe spotted on a beach parasol. A flash of orange in a calm, whitewashed home. The cool texture of ceramic tiles. The scent of freshly cut lemons at a market stall. The sound of bamboo moving in the wind. From these fragments, an entire world of feelings took shape. Some moments burst with colour, filled with citrus yellow, vivid fuchsia and deep cobalt blue. They recall festive tables, lively streets, and early morning markets. Other memories are softer and quieter, marked by pale woods, woven grasses, sand-coloured linen and hand-shaped clay. These textures speak of calm spaces, shaded courtyards, sea air and the unhurried beauty of summer mornings. Together, they create a balance of opposites: brightness and calm, energy and stillness, the richness of life as it reveals itself in many places. Every object in the collection was created with intention. A vase that recalls the curve of an old water jug. A pattern that echoes the movement of waves along a coast. A cushion that carries the joy of a summer garden in bloom. Nothing is a literal reproduction. Everything is filtered through memory. Each design shares not the exact image of a place, but the way it felt to be there.

Materiality adds depth to these stories. Glazed pottery reflects light like water. Rough stone grounds a space with quiet strength. Painted motifs and woven textiles recall the traditions of local makers. Natural materials are chosen not only for their beauty, but for the way they change over time, the patina they gather, the warmth they bring into a room.

The inspirations came from many landscapes and atmospheres. A black sand beach, a driftwood cottage by the Atlantic, a courtyard lined with orange trees, a modern home filled with bold colour and light. From jungle to desert, from vibrant cities to silent coastlines, each destination became part of the larger story.

J-Line's Spring Summer 2026 is a map made of memories. A suitcase unfolded into rooms. A passport of textures and atmospheres. It is about travelling without moving, about bringing the outside world in and letting it live with us. This collection invites you to see every object as part of a larger story, to create spaces that carry the feeling of faraway places. The most beautiful journeys are not only the ones made abroad, but the ones we bring home with us.

LA DOLCE VITA

In Madrid, the apartment catches the afternoon sun just right. Shades of orange everywhere: on the cushions, in the fruit bowl, in the light on the walls. The windows stay open, letting in the sound of the street below. Tapas on the table, sangria in hand, and no real plans. Just the city, and the moment.

OCEANO AZUL

Blue and white set the scene: on the sheets, the ceramics, even the morning light pouring in, with that unmistakable charm only Portugal knows. A wooden tray rests gently on the bed, holding still-warm pastéis de nata and a glass of fresh orange juice. The scent of pastries, the sound of seagulls, the breeze slipping in from the ocean. Slow mornings never felt so good.

London buzzed with energy from the start. Street corners turned into galleries, with bold colours splashed across walls. Hidden studios, busy markets, loud music, and small cafés filled the days. Every turn brought something new. Playful, unexpected, a little wild. The city didn't sit still, and neither did the ideas. It was art, everywhere, and it never missed a beat.

KINDA TIMELESS ALREADY!

Some styles never fade, they only grow more cherished with time. Our *Kinda Timeless Already!* collections highlight the natural beauty of summer with designs that feel both familiar and fresh. *Coconut Island* sets a calm mood with soft neutrals, rattan, and linen, inspired by the easy elegance of Bali, while *Tierra Del Sol* brings warmth through terracotta, mustard, and sunlit textures drawn from Andalusian patios. And for those who love the coast, *Au Gré Des Vagues* offers a breezy beach-house atmosphere with driftwood details and gentle marine colours that make every day feel like a holiday by the sea. These timeless looks carry the spirit of summer, season after season.

72 AU GRÉ DES
VAGUES

Golden hour filters through sheer white curtains, with the scent of salt and sun-warmed mango wood in the air. Toes in the sand, coconut in hand, time slows down. Soft neutrals and natural textures blend with sea shells scattered like little treasures, bringing the calm spirit of Bali indoors.

On the French west coast, time moves with the tide. Little white houses face the breeze, light blue shutters catching the ocean air. Shells, boats, and soft mint tones fill the space with that easy, coastal feeling. Afternoons stretch into long moments of calm, just the sound of the sea and the open horizon.

It's a place where everything feels raw and real, shaped by time and the land's quiet power. Warm tones and rough edges create a space that feels grounded, honest, and full of character.

J-LINE BY JOLIPA

WHERE *ideas* COME *to life.*

Welcome to J-Line by Jolipa, a family-run business from Belgium that has been bringing creativity and joy to homes since 1978.

With over 12.000 decorative items and home accessories, we offer a wide range, from cosy and classic to stylish and contemporary, and everything in between. Whether you're updating a single space or transforming an entire home, we have something that will make it shine. As an independent family business, we follow our hearts, trust our instincts, and sprinkle a bit of our own personality in everything we do.

Our home base in Tournai, Belgium, is where the heart of our creativity lies. Our 6.000 m² showrooms are where ideas take shape, and where you can get the first look at our newest collections. Each year, we launch our Spring-Summer and Autumn-Winter collections, giving our customers an exclusive preview of the latest trends for the upcoming seasons. At J-Line, we believe in building lasting connections. When you work with us, you're more than just a customer; you become part of the J-Line family, where relationships matter just as much as our products.

OUR CORE *Values*

THE HEARTBEAT OF OUR BUSINESS

At J-Line, everything starts with a clear ambition: to inspire you with fresh ideas and to support your business in a way that truly matters. With every collection, we think alongside you, helping you build an offer that connects with your customers. These values guide how we work together, season after season.

Inspiration

Fresh ideas that make a difference. From our showroom to our moodbooks and catalogues, we offer inspiration you can turn into action. We help you create displays that stand out, refresh your assortment, and surprise your customers at every visit.

Creative collections, trendy and timeless

We bring you the right balance between what's new and what lasts. Our collections combine

trend-driven highlights with timeless favourites, so you can shape an offer that feels current today and relevant tomorrow.

Diversity in style and assortment

With one of the largest and most varied assortments on the market, you have the freedom to build the story that fits your business. From modern to rustic, colourful to natural, playful to refined, the choice is yours.

We think alongside you

Your shop, your customers, your ambitions. Every business is different, and we keep that in focus. Our sales experts work closely with you to fine-tune your assortment, style your presentation, and spot opportunities that support your growth.

*Every season opens
new possibilities.*

WE ARE HERE TO INSPIRE YOU, TO THINK
ALONGSIDE YOU, AND TO SUPPORT YOUR
AMBITIONS IN A WAY THAT FITS YOUR BUSINESS.
