PUGLIA TRULLI

Embrace the warmth, simplicity, and elegance of Southern Italy

Welcome to our Puglia Trulli home decoration collection, where the rustic allure of Puglian trullis comes to life in a harmonious symphony of beige tones. Imagine wandering through the sun-kissed landscapes of Puglia, Italy, where ancient trullis dot the horizon, their conical roofs blending seamlessly with the earthy surroundings. Each piece of our collection has been carefully selected to evoke the warmth of sunlit stone, the serenity of olive groves, and the tranquillity of the seashore. Our Puglia Trulli collection is a celebration of the enduring appeal of trullis: structures that have stood the test of time, going through generations of change, while remaining steadfast in their allure. With each piece from the Puglia Trulli collection, you bring a part of this timeless heritage into your own home.

MEMPHIS POP ART

Unleash your inner artist

Step into a world where creativity knows no boundaries, where the vibrancy of colours collides with the simplicity of black and white, and where art and design unite to create a collection like no other. Our Memphis Pop Art collection draws its inspiration from the iconic Memphis Group of the 1980s, a design movement that challenged conventions and gave birth to a new era of artistic expression. In this collection, colour isn't just a choice. It's a statement! Fiery reds, electric blues, sunny yellows, and lush greens dance alongside classic black and white, creating an incredible visual symphony. With Memphis Pop Art, your home becomes a canvas, and you are the artist. Dive into a world of colours and patterns and make your space truly extraordinary.

KYOTO BLOOM

Pink perfection inspired by Japanese landscapes

Located in the Kansai region, Kyoto is a city that has, for centuries, been the heart of Japanese culture, spirituality, and history. It's a place well known for its serene temples, traditional tea ceremonies, and breathtaking cherry blossoms. In spring, the city transforms into a sea of pink and white as sakura trees burst into bloom. Discover Kyoto Bloom, our collection that embodies the timeless charm of Kyoto, a city where the seasons change, but beauty remains eternal. While the soft, pastel pinks, and vibrant fuchsias of our collection evoke the enchanting sight of sakura trees in full bloom, the subtle notes of white and wood accents mirror the peaceful landscapes of Kyoto.

SANTORINI ARCHIPEL

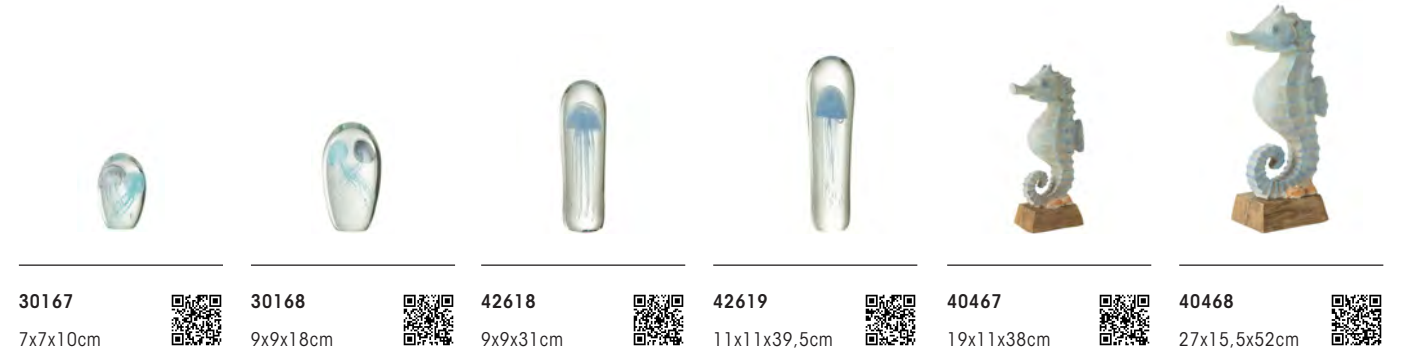

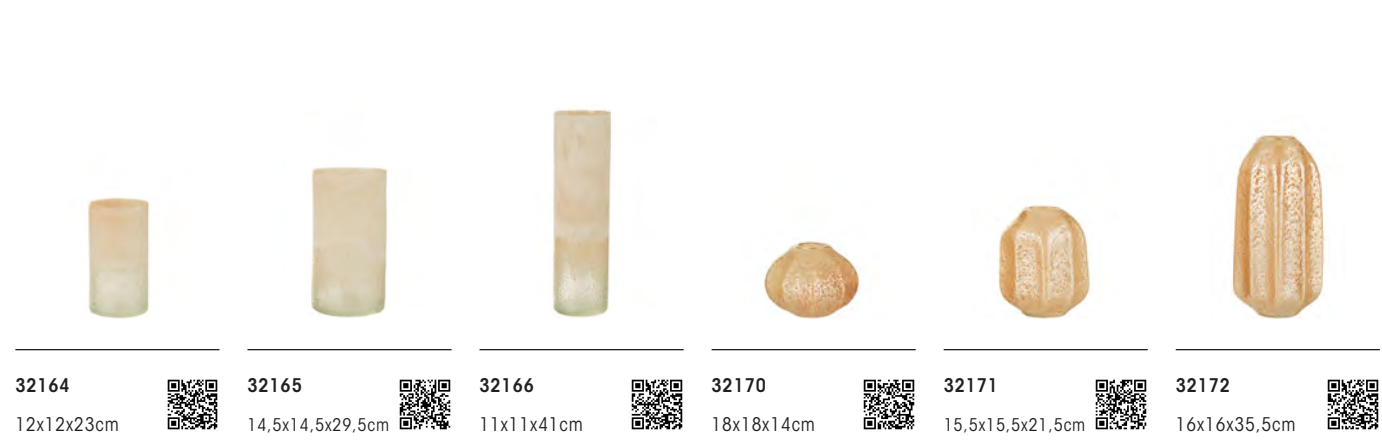

Embrace the romance of the Greek Isles

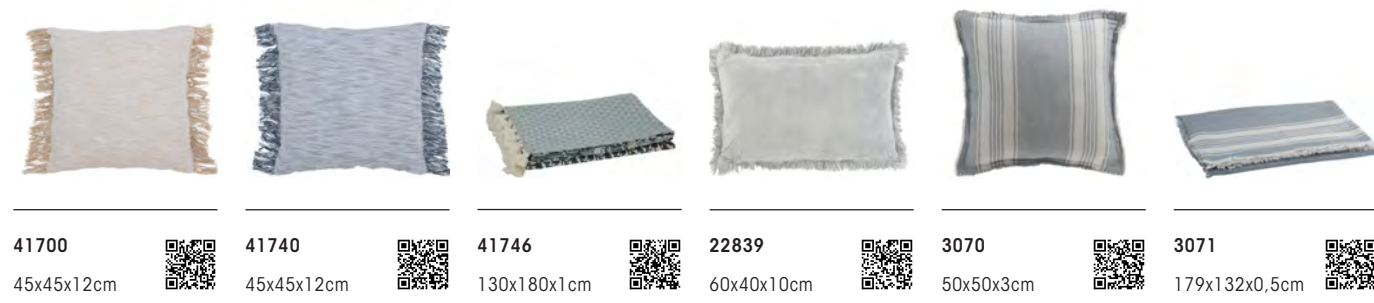

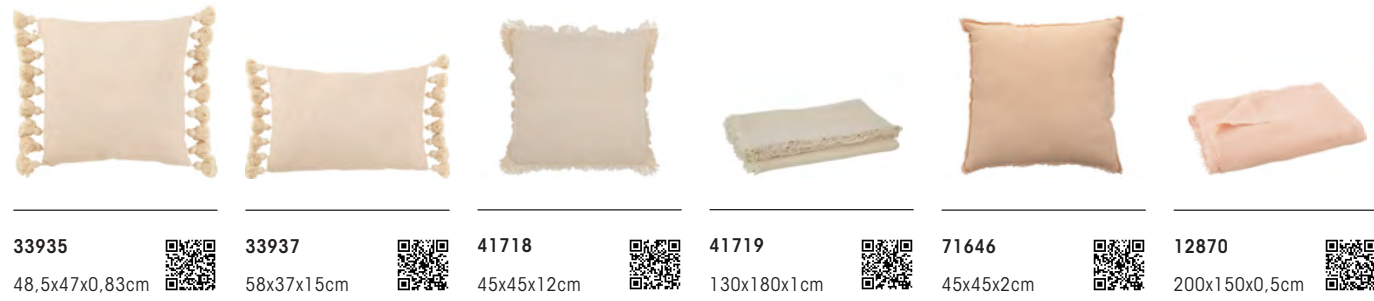

Inspired by the enchanting beauty of the Greek Isles, our Santorini Archipel collection harmoniously blends the purity of white, the deep allure of dark blue, the serenity of light blue, and the warmth of peachy tones. Santorini's iconic white facades have inspired a range of white decor pieces that bring a touch of minimalism and purity to your living spaces. Evoking the deep, mysterious waters that surround the archipelago, dark blue accents add depth and sophistication to your decor. Like the endless Greek sky on a cloudless day, light blue hues infuse your spaces with serenity. Finally, as the sun sets over the Santorini horizon, it casts a warm, golden glow on everything it touches. Our collection embraces this warmth with peach accents that evoke a sense of hospitality and comfort.

DÎNER EN PROVENCE

Bienvenue dans le Sud de la France

Provence, with its lavender fields, ancient olive groves, and quiet villages nestled among vineyards, is a place where time slows down. It's a land of charm and elegance, where the beauty of nature meets the refined tastes of the South. Imagine yourself in a sunny backyard, sitting down at a farmhouse table, the scent of lavender and rosemary floating in the air. Dîner en Provence is not just a collection, it's a reminder of the simple pleasures of life: good food, good wine and good company. With each piece, you can bring a touch of Provencal magic into your home, creating an atmosphere that transports you to this sun-soaked paradise, where time seems to stand still, and every moment is a celebration.

ACCORDS ESSENTIELS

Introducing "Accords Essentiels" by J-Line, a captivating home fragrance collection inspired by the essential accords of perfumery. Set sail on a sensory voyage, unveiling delightful discoveries while immersing yourself in the rich and distinctive soul of each scent.

Welcome the warm and snug embrace of amber, or awaken your senses with the fresh and crisp essence of pine. Each fragrance has been crafted with great care to transform your home into a sanctuary of olfactive bliss.

The uplifting allure of orange blossom carries you away to a sun-kissed orange grove, while the gentle fragrance of rose offers guidance on a romantic promenade, and the rich and fruity aroma of fig whisks you away to a Mediterranean garden. Delight in the tender and intimate fragrance of musk, the woody and subtly sweet scent of sandalwood, and the charming and irresistible aroma of vanilla.
