

MR. WATTSON

The iconic Mr. Wattson

Drawing his design inspiration from the headlamp of the iconic 1946 Vespa scooter and toy action figures of the 1970s, Mr. Wattson is a handmade lamp crafted from beautiful ash wood and high-grade metal alloy that is presented in 9 striking colours.

When it comes to task lighting, Mr. Wattson is a real bright spark. His powerful LED bulb can brighten a room while the 139 glass dimples on his headlamp help to create a warm ambience.
